SOFT BAKED BISCOTTI

It is hard to imagine a more fitting finale to a Tuscan meal than Cantucci (commonly called “Biscotti”). Traditionally, they are crunchy and crispy and contain almonds. Our original version is of a Soft Baked Biscotti that is very unique, and is made in the shape of traditional Tuscan Biscotti, but with a unique twist, born, like all great inventions, from a mistake: a secret ingredient.

SOFT BAKED BISCOTTI

The result sees the trademark crispness of Cantucci give way to a delicate softness that perfectly wraps itself around a sweet filling. To date, nobody has been able to recreate the mixture that makes these biscotti unique. These are the perfect gift for those looking for something unique and made with only the highest quality ingredients, or as the final course in any Holiday meal.

ITALIAN MERINGUES

Italian
Meringues

Nothing has been more delicate and sweet than a meringue. The most stable type of meringue is the Italian style, which is made by beating egg whites to firm peaks, then slowly whisking in hot sugar syrup to produce a dense meringue with a satiny texture that can be used as-is to top cakes and pies, or as a base for buttercream frosting.
